

Brownstone Christmas Wreath

Materials Needed

hot glue gun or rubber cement

110 + lbs paper

12" styrofoam wreath or cardboard cut into the shape of a wreath

string

scissors

Instructions

1. Print and cut out the brownstones, ribbon and pigeons
2. You might need to print out extra sheets of the brownstones to cover your wreath
3. Attach your string to the wreath by tying it or gluing it
4. Glue down a layer of brownstones
5. If you would like to have some of the buildings, ribbon or pigeons 'pop-up' fold a piece of cardstock into a trifolged tab and glue it to the back of the 'pop-up' to the tab, then glue that tab to the wreath.
6. Happy holidays! Enjoy!
